**Do you have any comments on the major projects in our Draft Community Plan?**

A new aquatic facility is desperately needed to take the pressure off the Avon River at Kerrs Reach

**Do you have any comments on groups of activities (The activities and services the Council provides?)**

Waste management

I ask the council include a full Waste to Compost

scheme as originally proposed in waste management schemes of 2005 and voted for by the people Christchurch.

Community Funding

I ask the council make a commitment to community funding at least at it's present level plus inflation for each year.

It is interesting that CCC had a look at other councils level of funding and was proposing to follow this level. Mayor Hubbard of Auckland said at the Christchurch Casino Charitable Trust presentation evening, which he attended at the invitation of Garry Mooore, that he would be looking at implementing a similar level in Auckland. I hope we can continue to lead forward and not backwards.

**Do you have any other comments or suggestions you want to make?**
