Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	Our school strongly supports the proposed new pool facility at Northlands. School Pools are being closed as compliance becomes impossible. Our students could walk to such a facility. Northlands is the logical focus for north Christchurch.
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Jellie Park is increasingly hard to access as schools make use of that facility.
	Do you have any other comments or suggestions you want to make?
Schools cannot cater for the needs of more advanced students without the challenge of longer pools, and deeper water
