Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	I object strongly to the proposal for the cost of the upgrade of the City Mall being funded through a targeted rate. I feel that the money for this should come from general rates with a contribution from business owners directly adjacent the the City Mall itself.
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Do you have any other comments or suggestions you want to make?
