Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	<p>I oppose the closure of Edgware Pool (and other outdoor pools).</p> <p>Small outdoor swimming pools are an important part of Christchurch's local communities.</p> <p>The pool provides services for local schools and low income families, which cannot be provided at the same cost by a larger indoor pool.</p> <p>Outdoor pools offer a swimming experience that cannot be provided by an indoor pool.</p> <p>Providing an aquatic facility further away from the area would result in greater traffic and increased pollution.</p> <p>It is argued that the per visit cost is much higher than for other pools. However, opening hours have been reduced in recent years and no efforts made to attract visitors to Edgware pool.</p>
	Do you have any other comments or suggestions you want to make?
