Submissions to the Summary Draft of Our Community Plan 2006-16
To Whom It May Concern,

What do we want?

The implementation and continuation of the proposed perimeter walkway within the proposed development of Stage 1 Bexley Reserve(Ex Landfill).

The completion of Bexley Reserve Development which its site improvement draft proposal is from 2006/07 to 2010/11.

The implementation and extension completion of the cycle/walkway from Pages Rd along the riverbank to Wairoa Reserve.

The following up of what is to be believed an earlier proposal to construct a footbridge from Evans Ave/Admirals Way across the river to Wairoa Reserve.

We believe as concerned residents that this is a vital safe link to pedestrians and cyclists to traverse the river in safety from Sth New Brighton to Bexley,Aranui and beyond.

This will be a critical completion link in the East/West cycleway system which currently runs from Rowses Rd,Aranui across the reserve to Wairoa Reserve,Bexley.

Immediate regular monitoring and implementation of better safety and upgrade issues for SH74 Anzac Dr,especially from Dyers Rd to Pages Rd with the relevent bodies concerned.

Yours Faithfully
