Issue: Professional Housekeeping Assistance to dysfunctional households
Action: Provide the service of a Professional Housekeeper to a non-coping Family

Why: To be the first Council in NZ to assist Children caught in the dysfunctional household trap

For the CCC to fund the Training & Employment of Professional Housekeepers to attend dysfunctional households would have the positive affect on young people in Christchurch & reduce the use of Social Services, the Courts & Prison.

Household routines, good nutrition, regular meals, budgeting, parenting skills, hygiene & safety. This is a sample of the Cuurriculum for the Professional Housekeeper Training.

I am associated with Amida, a NZQA Registered Private Education Provider with the ability, resources & facility to provide this training.

This type of service has been tried in the past and has failed as a volunteer service - it needs to have a Career Status.

I would like to present this proposal for 10 mins at a hearing between 2nd & 7th June '06 please.
