## Questions

① Do you have any comments on the major projects in our draft Our Community Plan? page number 11

O.S.C.A.R. programmes have benefited from the financial support given to them by the Council. Children have received safe care, homework being done has increased, less young children 5-11 years of age wandering the streets. Children being encouraged to interact instead of stuck behind a computer. Physical play is encouraged and healthy afternoon tea provided. Without good staffing there would be fewer <sup>positive</sup> outcomes.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

For the children and in the future for the city, Reducing funding will cause some programmes to falter while others will experience real difficulties providing adequate facilities, games, sports and craft activities. Having to raise the session fees in some cases will put further hardship on parents. It is my understanding that the city will be a better place to live in and its residents will be more positive and more positive outcomes will be achieved.

③ Do you have any other comments or suggestions you want to make? page number
