Questions

1 Do you have any comments on the major projects in our draft Our Community Plan? page number 4

Working at Christchurch Resettlement Support we work with some of the most vulnerable people in the Christchurch Community. We find the Community Plan broad and would like to see specific needs that target the Refugee Community acknowledged in this Community Plan some ~~example~~ are drop in centre, specific section for Refugees in libraries, inclusive plan for ~~the~~ the elderly Refugee Community

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 6

CCC funding enables CRS to maintain its services to provide a strong support base for the Refugee + Migrant Community. It is paramount for Resettlement that Refugees have access to safety, housing and feel included in their resettled communities the environment should embrace the diversity of these communities. It is important that ~~CCC~~ funding is directed at promoting these diversities by providing information, advocacy, translation, social ~~work~~ support, interpreting services and education for all communities

3 Do you have any other comments or suggestions you want to make? page number

In my work within Refugee communities ^{there are} ~~are~~ many vulnerable groups such as the elderly and people with specific disabilities. These groups have difficulties accessing services provided by CCC. Funding targeted to ~~over~~ come these limitations would lead to more inclusive participation.
