<b>Your Submission:</b>	<b>Do you have any comments on the major projects in our Draft Community Plan?</b>
	There is allocation for development of the public toilets and changing rooms currently adjoining the Sumner Surf Life Saving Clubrooms for two years away. After recent liaison with CCC staff, the surf life saving club are looking for more space and the existing public toilets and changing rooms could be used for this purpose as suggested by CCC. We are looking to do renovations shortly which would be affected by any future work with the public changing rooms and toilets. We would like this funding planned for two years away to be brought forward to allow any developments to be a joint effort.
	<b>Do you have any comments on groups of activities (The activities and services the Council provides?)</b>
	No
