

St John

LTCCP 2006-2016 submission

the first to care

Comments and suggestions:

Strategic Direction – Healthy Environment (Volume 1 pages 51-53)

Strategic Direction – Livable City (Volume 1 pages 54-55)

St John would like to become a priority under the *Healthy Environment* and *Livable* Strategic Directives in order to build closer ties with the Christchurch City Council.

Community Outcome - A Safe City (Volume 1 Page 44)

Community Outcome - A Healthy City (Volume 1 Page 45)

St John would like to be considered a priority as part of council activities, projects and initiatives in regard to *A Safe City* and *A Healthy City* community outcomes. St John has been considered an organization to contribute to Health and Wellbeing as part of Civil Defence initiatives as well as community development in the Waimakariri District (Waimakariri Draft LTCCP 2006-2016, Volume 2, p.23, p.28).
