Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	As a basketball training group, we are very keen to see an up-grade of Cowles Stadium go ahead. This is a great facility and has been spruced up and well kept over the years, but if it were possible to extend the floor area and put in a reasonable amount of seating, it would be better supported by many more groups and would attract larger events which would in turn bring in more revenue. Westpac Stadium is a great asset to Christchurch but is a little large for many of the smaller events and Cowles Stadium would provide a venue to cater for those.
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Do you have any other comments or suggestions you want to make?
