Your Submission: **Do you have any comments on the major projects in our Draft Community Plan?**

SAFETY appears as a key outcome in the summary plan. The plan itself features numerous photographs of water based activities and promotes such activities. However there appears to be no reference to WATER SAFETY nor the use of the city's BEACHES.

Do you have any comments on groups of activities (The activities and services the Council provides?)

Do you have any other comments or suggestions you want to make?

1. That the CCC enter into dialogue with SLSCanterbury with a view to implementing a WATER SAFETY campaign/programme promoting safety at the cities BEACHES; and in particular with a view to budgeting to help provide short-term, mid-term and long-term funding for SURF LIFEGUARD services on the city's beaches.

2. That the CCC provide adequate SIGNAGE at city beaches and waterways warning of danger and advising safe practice.
