	<p>Yes, I wish to comment on Council's funding of the Central Plains Irrigation project.</p> <p>I consider that this project carries environmental costs that are not recognised by the relevant authorities.</p> <p>I consider that the financial benefits from the project will flow to the landowners who join it, while the ongoing environmental costs will be borne by the community at large.</p> <p>Indeed, some landowners face virtual eviction from properties they have held for generations.</p> <p>I strongly object to any further Council financial support, whether by way of grant or loan, to either Central Plains Water Trust or Central Plains Water Ltd.</p>
