Dear Sir,

re Spreydon library

The Spreydon library is conveniently situated beside the Barrington Mall and Orbiter bus stop. This community asset is used and appreciated by all age groups, especially those without cars.

I have regularly used this library for twenty years and now, as a senior, it is even more important to me.

If you need more money, even though our rates are about to rise alarmingly, perhaps you could cut back on titivating for the tourists and leave the Spreydon library in place for the ratepayers.

Yours faithfully,
Betty Kemp (Mrs.)
