Instructions

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

SUBMISSION REGARDING LIBRARY CLOSURES

I very much oppose the closing of any libraries and for those councillors who voted for their closures I think they should rethink their decision as even the smaller libraries mean a lot to the communities they serve.

My local library at Redwood is a comparatively new building and was only opened in 1968. It caters for a large cross section of the nearby residents and many of these are the elderly who live close by.

This area is growing very fast with many new subdivisions in Redwood as well as further north towards Belfast and in my understanding the mobile library for Belfast is also to be stopped.

Before the local elections prospective candidates assure us they will listen to our concerns so please listen now and understand we do NOT want the libraries closed and I'm sure those who voted for you have given you no mandate to do so.

Libraries are valuable assets in any city and should be maintained.
