Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Community Plan? page number

do not close the Spreyden Library - I frequently use this library (more than any other) for my work (research, radio) and leisure.

it is very convenient for me as I know it would also be for others - as I use other services @ Bovington Mall - ie: PO Box, Post office / supermarket + library

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

I use the library frequently, I go there 1-2 times a week.

I also sometimes do photocopying there, use the internet + printer (if mine is down).

The staff are great - very friendly, helpful, + this is an essential service for me - near to where I live - in great resources, advice + support. It's so valuable to so many people.

3 Do you have any other comments or suggestions you want to make? page number

Libraries are essential communities for maintaining cohesiveness, strengthening communities, it gives people an outlet for recreation, research, a place to meet others - + learn what is happening in their very local area - it's important for people (of many different needs) to be able to access a library within walking distance to where they live.
