Questions

① Do you have any comments on the major projects in our draft Community Plan? page number **86**

I strongly object to the proposed closure of the Bishopdale library
The new libraries that have been built are too far away and as I have no transport I don't ^{think} I should have to pay for a bus fare to get to a library

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number **86**

We are paying more for rates and getting less services. Closing the library would be a backward step as it is so important for children to access to books

③ Do you have any other comments or suggestions you want to make? page number **86**

Blank lined area for additional comments or suggestions.

For office use only
