Questions

1 Do you have any comments on the major projects in our draft Our Community Plan? page number **86**

Re: ① 'Rationalising' Community Libraries.
Also exiting Mobile Library.

Issues. [whatever rationalising means in this context]

② Closing pools

③ Using N 2 Post for Council Payments

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Re: ① above. Desist please. How can you write of 'Knowledge - a city of Lifelong learning' on p 5 of draft summary, and then put barriers in the way. I am affronted that this action was even considered.

Action ② above. Again - desist. Pools are more than somewhere to swim. Like Libraries they are a focus of a community.

③ above. Consider this (i) probably [↑]worthily (ii) not sensible. No one knows your business better than your employees.

3 Do you have any other comments or suggestions you want to make? page number

Why should you desist in respect of all the above? To foster a dynamic, growing & educated community, a council should foster healthy activities both physical & mental. They should

Why deal with their own business & be accountable for it - not have parts of it at 'arms length'.

I can see other parts of the plan where savings could better be made.

You may add more pages if you wish. Thank you for your submission.
