## Questions

① Do you have any comments on the major projects in our draft Community Plan? page number **4**

Should not be building a civil Defence building at a cost of \$3.6million because ECan building in Kilmore St with all facilities should an emergency arise is less than 5 years old. Ratepayers funds should not be used to build a new building

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number **9**

I object to the closure of Bishopdale library as I use this facility along with my children as it is in walking distance. If I do drive there is plenty of car parks - Paparangi library with attached Service Centre does not have enough parks with shops close by & High School opposite. Libraries are an integral part of society & taking them away would be detrimental to many age groups.

③ Do you have any other comments or suggestions you want to make? page number **15**

Too much money has been allowed for upgrading Jelly Park Pool. A new pool complex near Northlands Mall will create a user friendly complex for all public to use & Paparangi High School pupils during school terms.
