Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Savings on Services: Reduction in Library Services We are very disturbed at the suggestion that certain branch libraries and the Mobile Library may be cut. Such a reduction in services would impact particularly on the young, the old and the physically handicapped; local communities such as Redwood regard the library as a community centre. The services offered by the Christchurch City Libraries are wonderful, contributing hugely to the cultural identity of our community, and all residents should have convenient access to these.
	Do you have any other comments or suggestions you want to make?
