Questions

1 Do you have any comments on the major projects in our draft Our Community Plan? page number 8

Services & Activities:-proposed reductions. I can see the logic in closing certain swimming pools as taking the family for a swim and so travelling a distance to get there could be regarded as a summer activity. However closing a local Library eg B'elale is a very different matter as visits to the library are done on a regular basis all year round and for more varied reasons now a days than ever before. Easy access and parking are a must without having to go out of the area you live in to drive around for a park eg Papanui where space is extremely limited.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 11

Cultural + Learning Services:-Will be of great benefit to locals and visitors alike which is fine, but the rate payers amenities should not have to be sacrificed in order to achieve this. After all it is the Rate payers who will be voting for the next Council and not the long gone visitors!

3 Do you have any other comments or suggestions you want to make? page number
