<b>Your Submission:</b>	<b>Do you have any comments on the major projects in our Draft Community Plan?</b>
	I am a regular user of the mobile library service and believe it provides a hugely beneficial service to the wider community. I only visit on an evening but it is always busy and often I have to wait until people have left the bus before I can get on. A review of the timetable may be more relevant than stopping the service altogether. I will be very disappointed if it gets stopped.
	<b>Do you have any comments on groups of activities (The activities and services the Council provides?)</b>
	<b>Do you have any other comments or suggestions you want to make?</b>
