① Do you have any comments on the major projects in our draft Our Community Plan? page number **14**

It concerns me to see so much housing developed on good vegetable growing land north of the city, and especially removal of trees.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number **8**

Closing some Community Libraries is a retrograde step as is discontinuing the mobile library. These services are extremely important, particularly for children and the elderly. At 84 I find the mobile library a wonderful service. I would be willing to pay a small fee for tickets, but there may be many others unable to, and transport to town could be difficult. Swimming pools are extremely important for families and would be a great loss if closed.

③ Do you have any other comments or suggestions you want to make? page number **1**

Reducing number of issues of "City Scene" might be a good idea. Spend less on some of the fancy road works (ie red tiles) and more on cycle lanes.

Is it really necessary to upgrade Telford Park pool? It seems only a few years ago it was done
