I attend the Bishopdale Library six days a week and its closure would be a major inconvenience to groups of pre-schoolers, school children up to pensioners, many of the latter living very nearby. I have an average of 7-8 books & magazines on loan always also check out, out-of-town newspapers, CD's & do much photocopying there. My husband and many other people of all ages use the computers. Being in a busy shopping complex makes it ideal to visit & utilize while shopping, taking prescriptions to chemists, paying A/c's at the Post Office. Electoral rolls and NZ wide phone books are useful at the Library \*

② ③ Do you have any other comments or suggestions you want to make? page number

Cont... We do not need a flash up market one where coffee can be bought. The majority of people I have spoken to are happy as it is. We are not impressed by expensive refurbishing as many of you (not all) councillors are.

\* I realize the phone books can be looked at at the PO but that gets very crowded at times. The Paparua Library is fairly close

but with the nearby Papanui High School it gets very busy with pupils using its facilities, tables & chairs, doing homework and research. I know this because we do pop in there especially when going to the Northlands Mall. Transport for many people, young mums with a baby and/or preschoolers and many pensioners don't want the hassle of catching a bus. Having a library in our Community is such a basic facility - think before you act.

The removal of the mobile library would also cause a lot of distress especially among the elderly in pensioner cottages. The disabled people also would be affected. Whoever dreamt up the idea of closing a library need their heads read. Talking books & large print books are also a necessity for many people.
