

2 Crickwood Place

Doonhead

Christchurch 8004

To
Christchurch City Council.

I wish to join the large number of people who object to the proposed alteration to the City Library services.

As a heavy user of the "Mobile" unit, from a matter of convenience to being well able to drive to a larger centre I am sure your services are vital to people unable to do so — they are also voters & rate payers — directly or otherwise.

I trust common sense & reason will prevail

Helen J. Atchard
