## Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number

Do not close community libraries, they are essential in each shopping centre, where they can be used to full capacity. People use these shopping centres to do all tasks, ie Shopping, banking, Dr, Dentist, recreation and visit library and council offices. They need easy access, car parking and all services in one centre. In particular we object to the proposed closure of Spreydon library. I suggest closure of the WHITE ELEPHANT CITY LIBRARY, and wastage of ratepayers money on inner city development. (a thing of the past age.)

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Yes 1 Routing of buses around the suburb centres was a good move. - Next do away with central bus terminal and bus movements in and out of inner city.

2 Cycle lanes are a death trap for young and old cyclists, especially on major traffic routes.

3 Community Boards should be given responsibility for local government as in the days of Heathcote and Waimari County Councils, Riccarton Borough and Inner CATCH city. Each should have own Engineers, Planners and Inspectional staff, and maintenance and

3 Do you have any other comments or suggestions you want to make? page number

construction responsibilities.

4 Do not waste ratepayers money on art Gallery and proposed visitors centre in park.

5 We object to increase in cemetery charges - let us rest in peace in our last Council undertaking
