Questions

① Do you have any comments on the major projects in our draft Community Plan? page number

Redwood Library

I would like to know how the opening of a new library justifies the closing of another one. Redwood library is well used by young and old in the area. Many also use the nearby childcare facilities, park and shops and travel by foot. They would not travel the extra distance by car or bus to Payamui.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

The Redwood area is rapidly expanding with new subdivisions everywhere thus increasing the population.

The library is an essential part of our communities. Its not about saving money, but about continuing to offer a beneficial service to all who wish to use it.

③ Do you have any other comments or suggestions you want to make? page number

Please do not close our library!
