

# Our Community Plan Submission Form

## Instructions

### Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 8

*Libraries*

*The closing of some libraries and withdrawal of the mobile service is a backward step. In the scheme of things the saving of \$530,000 is small change. The mobile library especially provides a service for elderly people of limited mobility as well as a convenient 'shop' for adults & mothers with young children. The mobile should be retained at all costs.*

3 Do you have any other comments or suggestions you want to make? page number 8

*Parking Fees*

*It is supposed to be the Council's plan to encourage suburban dwellers to come into the city centre more. The proposal to increase both on & off street parking fees will only tend to keep commuters in the suburbs.*

*Traffic Lights P18*

*Ref Price Rd - Middleton Rd - Glen Rd Inter*

*A green arrow for right turning traffic into Middleton Glen Rds is required*

For office use only

*have to enable traffic turning right to make the turn safely*

*There are arrows for right turning traffic elsewhere on Riccarton Rd & elsewhere in the city. Why it is not possible to have them at this intersection I am at a loss to understand.*
