## Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Our Community Plan? page number **3**

I considered the proposed closing of the public libraries and suburban swimming pools a retrograde step. Closing libraries is the action we expect from governments who wish to keep their suburbs in ignorance. It is time the council got back to basics and provided and maintained the services we pay for and have a right to expect.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number **4**

As one who appreciates art, I looked forward to the opening of the new Art Gallery. Having spoken to others who have visited, we are of the opinion that it is too much avant-garde. An Art Gallery should have atmosphere. This was present in the old gallery even if it was short of space. Perhaps we should get an expert opinion on how the building can be made more acceptable.

3 Do you have any other comments or suggestions you want to make? page number

Although not specifically mentioned in the draft of the community plan, I feel that savings could be made if certain members of the Council curtailed their unnecessary overseas trips at rate payers expense - leading by example should be the byword.
