Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number

Handwritten area for question 1, currently blank.

2 I object to the proposed closure of the Redwood library. Do you have any comments on groups of activities (the activities and services that Council provides)? page number

* My children use the library regularly to check out books, video's, dvd's & CD roms.
* The 'easy' access to these resource's has helped there abilities to read & understand.
* If we had to hop into the car our weekly visits would not occur
* We not have access to such a wide range of books if the library was closed.
* This library is used by large range of people in the community who would find it difficult to travel distance to another library.

3 Attached is a petition from our community objecting to the proposed closure of Redwood library, it contains 1513 signatures. Do you have any other comments or suggestions you want to make? page number
