<b>Your Submission:</b>	<p>Members of Spreydon/Heathcote Community Board nm</p> <p style="text-align: right;">2 Mavin Road Hoon Hay Christchurch 2</p> <p>Dear Members of Spreydon/Heathcote Community Board,</p> <p>I wish to plead for the maintaining of the local libraries, especially the Spreydon/Barrington Library. People of lower financial means, also the older person, children, &amp; students,(especially those from overseas) &amp; those dependent on public transport need these libraries. E.g. to get to the City Library is not easy, &amp; yet Barrington Mall has all the basic amenities from Medical Centre, Optomotrist, Dentist, to food &amp; hardware for the local community. The Orbitor serves us well with frequent service.</p> <p>There are many who appreciate these libraries but may not have the required skills to make their wishes known. So, multiply my letter by the hundreds of unknown silent ones.</p> <p>Yours sincerely</p> <p>JulieAnne Foster</p>
