# Our Community Plan Submission Form

## Instructions

### Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

re - mobile Library. I, my 2 daughters and my 3 grandchildren all use the mobile library at the Cults Road, or Avonhead-Stawley Str. stops. I take my 6yr old granddaughter after school on our way home. It is a 7-10 min walk from Avonhead School, -then 5 min home. Fendalton Library is not feasible for walking with a 6yr old. The new Riccarton library would be a good 40 to 45 min walk - hardly suitable for a 6yr old with the same for the return trip. Library books are heavy to carry too - especially with a school backpack as well. I would like to see the Mobile Library Service retained for the use of young and old especially. I would not have access to a library otherwise. Buses are expensive, time consuming + not close to Fendalton or Riccarton

3 Do you have any other comments or suggestions you want to make? page number

Libraries from our starting point close to Stawley street mobile Library Stop.

Please retain the mobile library for its use for pleasure reading + research for child and adult alike.

I use the "reserve" facilities for obtaining music scores + recordings to help with my musical activities + orchestral commitments, and value this service greatly.
