Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number **8**

I appreciate the Council needs to look at its spending but the idea that the council would even consider the closure of a community library horrifies me. I have to question the forward planning and wish you to note my strong objection to any closure of these libraries.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number **8**

Our libraries are a hub of activity the numbers attending the libraries must be substantial, you only need to call in to see for yourself. While I & my family enjoy lots of activities the council provide - but did we need outdoor movies, you could save funds there.

3 Do you have any other comments or suggestions you want to make? page number **8**

Please take on board the groundswell of people who are vehemently opposed to the closure of our local libraries.
