Do you have any comments on the major projects in our Draft Community Plan?

Do you have any other comments or suggestions you want to make?

Everybody (elderly, children, students, parents) benefit from being able to easily access libraries. Young people need to be encouraged to read as books are vital for education and reading ability is absolutely essential. With transport and petrol getting more expensive it is important that local libraries are not closed. Books comfort many elderly and ill so need to be able to be accessed without trouble or difficulty. Libraries give many that are unable to afford to buy books the important opportunity to enjoy and/or learn from them.
