Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	We do not consider it rational at all to propose closing Redwood, Bishopdale and Spreydon libraries for a measly \$450,000 or withdrawing the mobile library to save a paltry \$80,000. Without wishing to sound emotive, the Council seems intent on sending Christchurch citizens back to the Dark Ages rather than giving them the opportunity to broaden their knowledge through reading and computer access. All Libraries provide some of the best services in the city, and I'm sure Council members will be judged on such pathetic decision-making at the next Local Body Elections.
	Do you have any other comments or suggestions you want to make?
