Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	I don't think you should close any of the libraries. I'm 11 years old and I have been going to the Mobile Library since I was born. it is a great resourse for me to go to after school. It is really close to my house and it is really convenient for me. I don't think you should close any of the other libraries because some people go to live in those areas because there is a library close. Please, don't close our libraries!!!!!! :-(
	Do you have any other comments or suggestions you want to make?
