

Our Community Plan Submission Form

Instructions

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

Please do not close any libraries especially in the Northern & inner suburbs. They are needed for the poorer children with no transport & the elderly in the Mobile library areas particularly. We have wonderful libraries in the closer-in areas - the City is growing outwards, anyway its like banning books a retrograde ~~step~~ step indeed.

You may add more pages if you wish. Thank you for your submission.

The beautiful Botanic Gardens definitely needs some of the designated funds to upgrade & improve the buildings. A building which could double as a lecture or social room & used for educational purposes would be ideal.

Lined area for handwritten response to question 3.
