Your Submission:

Do you have any comments on the major projects in our Draft Community Plan?

Do you have any comments on groups of activities (The activities and services the Council provides?)

Do not support reduction of any library services, either static or mobile as these provide many residents with an important social and academic anchor. Recommend complete removal of City Scene as the the money spent on this self gratifying publication could be be better spent on funding libraries and other community facilities.

Do you have any other comments or suggestions you want to make?
