Questions

1 Do you have any comments on the major projects in our draft Our Community Plan? page number

One question only.
Regarding re-vamp of inner city.
Is there not one qualified architect from Cape Keanga, to Bluff good enough to do this job.
Give it to the Asians.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

How long will CC Council hang on to Lyellton port shares. (That is of course if they should get enough of them) before they sell off to the Asian Co.
Is there no pride in our councillors left.

3 Do you have any other comments or suggestions you want to make? page number

I could not believe it when I found out the Council was attempting to close some of our libraries.
A place of learning for young & old.
I was just appalled at such a ludicrous suggestion
