## Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Community Plan? page number

Handwritten response area for question 1, consisting of several horizontal lines.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Closure of the Bishopdale Redwood & Spreydon libraries is very short sighted. You can't close one to start another. This is not progress in a growing city & these are not in the same part of town. People do their shopping (especially elderly & young families) go to areas such as shopping malls where they can do everything where there is good parking. Bishopdale has all this and a good community centre. The library is used by several schools in the vicinity. Last week (holidays) I was in library - there were 30 people in there. Papanui could not cope with this extra number & those from Redwood as well. - Also no parking. You talk about education - what about YMCA courses? what better way than having a library as well (B'dale) where pupils can follow through what they have learned.

3 Do you have any other comments or suggestions you want to make? page number

Yes. Leave libraries where they are. They are well used. There is no parking at Papanui & people do not want to catch several buses to get there. Why close a facility that is working well & not long upgraded. The community centre where library is located has activities groups all day every day & people visit libraries.

You may add more pages if you wish. Thank you for your submission.
