2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

We strongly oppose the closing of libraries which are a core Council service. bishopdale Library is ~~an~~ extremely well used by all sections of the community. It provides story sessions for pre-schoolers; local primary school children's classes visit it; it provides lending, reference and reading facilities. Its "public" computers are always in use. Many people read the wide range of newspapers available. The ephemeral and shallow programmes on TV need to be balanced by the splendid access that libraries give to information. Close libraries and you take away the word "services" from your expression "core services."
