**Do you have any comments on the major projects in our Draft Community Plan?**

Library closures: this will:

1) Decrease community awareness.

2) Remove social contact for some people minimising healthy socialisation and respect of matured people or ethnic groups.

3) Hinder physically disabled and aged citizens who enjoy the library and its resources and the availability of it being close and convenient.

4) Increase difficulty in accessing library books if transport is a problem or the added expense of fuel.

5) Discourage learning through books, being local is important for ease, convenience and time saving, make it too hard and people don't bother.

**Do you have any comments on groups of activities (The activities and services the Council provides?)**

**Do you have any other comments or suggestions you want to make?**
