Do you have any comments on the major projects in our Draft Community Plan?

I am greatly concerned at the possibility of the closure of Bishopdale Library I am a regular user and live within walking distance.
If it closes I would have to use my car to go to a more distant library.
Please don't close my local library!

Do you have any comments on groups of activities (The activities and services the Council provides?)

Do you have any other comments or suggestions you want to make?
