Your Submission:	<p>Do you have any comments on the major projects in our Draft Community Plan?</p> <p>Withdrawal of Mobile Library and Community Libraries. These facilities are part of what makes CHCH a great place to live. For a saving of \$80 000.00 per year for the Mobile you will penalising all user. The Staff and Bus bring communities together and as there are so many new subdivisions being built the Bus could and should be visiting these. I have been going to Library Bus for around 15 or more years, it is part of my life and have visited it at many different stops. Ive seen the enthusiasm of the young children getting aboard and choosing a book.</p> <p>It has a real library feel, not like the new libraries with their computer and Console games.</p> <p>Please think again, we have a great city and parks but we need libraries as well.</p> <p>Do you have any comments on groups of activities (The activities and services the Council provides?)</p> <p>Do you have any other comments or suggestions you want to make?</p> <p>Parking in the City Surely it would be logical make it easier to park not harder.</p>
