Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	It's ludicrous to talk about closing some libraries, when it's not long since the Parklands & City South ones were built. The present number serves the city well and should all be maintained.
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Do you have any other comments or suggestions you want to make?
	Waste minimisation: Provide small green waste wheelie bins to reduce the amount of compostable material being sent to landfills. That option was the clear choice of the people in recent consultation, yet the councillors chose to ignore the people's wishes.
