The Christchurch City Council,  
Dear Councillors,

I wish to  
protest the closing of the "Bishopdale  
Library" as it of great benefit to the  
whole community.

My husband and myself use it  
every week also our grandchildren  
We are in our 70s and 80s and  
we would find it hard to visit  
another Library as we like many  
others can walk to it.

Please consider young and old as  
it is so important to us all.

I do not want to make a personal  
submission.

Yours faithfully,  
Mrs Lola Yvonne Robertson.
