Do you have any comments on the major projects in our Draft Community Plan?

Regarding abolishing local libraries. I feel this would have to be the most horrific plan I have ever known the CCC would consider. Three generations of our family have grown up with this wonderful facility and three generations are still making good use of same. A facility which envelops age groups from almost birth to the oldest of older age groups can only be one of the most rewarding and worthwhile places available. I have yet to meet an individual who would have anything against local library facilities. (Except Councillors it would seem!) It would be interesting to know where the above sought facts to benefit their education. In closing all I can say is "Words fail me"! Patricia Scott

Do you have any comments on groups of activities (The activities and services the Council provides?)

Do you have any other comments or suggestions you want to make?
