Your Submission:	<p>Do you have any comments on the major projects in our Draft Community Plan?</p> <p>Books are essential for children learning to read. Parents should be able to get to libraries easily.</p> <p>Libraries give young people a place to go, reducing anti-social behaviour.</p> <p>Not everyone has private transport or is near a bus route. Libraries need to be by local shops.</p> <p>School children need to be able to get safely to libraries without too much road traffic.</p> <p>Libraries are a community asset. It is unfair to cut some people off from them.</p> <p>If libraries are closed there is little financial benefit for everyone and considerable loss to many.</p> <p>Library books give much pleasure at little cost. They add greatly to our quality of life.</p> <p>We need an educated population. Libraries are essential for this.</p>
	<p>Do you have any comments on groups of activities (The activities and services the Council provides?)</p>
	<p>Do you have any other comments or suggestions you want to make?</p>
	Don't close the libraries!!!
