<b>Your Submission:</b>	<p>Submission to 2006-16 LTCCP</p> <p>To whom it may concern,</p> <p>I object strongly with the councils proposal to close the Redwood, Bishopdale and Spreydon libraries. The libraries are an essential part of the communities in which they are located. They are not just places for getting books, they are meeting places, they are places for our children to study and learn, often they are a hub the elderly or infirm.</p> <p>There is more to Christchurch than just economics and the CCC needs to understand that if it concentrates solely on economic outcomes it alienates those who lives within it's boundaries.</p> <p>David Stenhouse 101 Roker St Spreydon Christchurch</p>
