

Summary submission form

Instructions

You may send us your submission...

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: we are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

1 Do you have any comments on the major projects in our draft Our Community Plan? page number 11

As a school we are very concerned about the proposed closure of Bishopdale Library. Our classes use this library as a resource and as a learning centre. Our families would lose a local resource and learning facility. We would like to see the Bishopdale Library remain in service.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 15

We support the proposal that a stadium and covered pool be built on land now covered by Papanui High School's tennis courts. There would be direct benefits to our school and families in local aquatic, sporting and cultural facilities being built. We would use the facility to support our indoor sports, swimming and arts/cultural programme/events.

3 Do you have any other comments or suggestions you want to make? page number 18

We would like to recommend that the speed zone on Harewood Road be set to 50 km/hr for the whole road. Currently it is 70 km/hr from Nunweek Park to Johns Road. We feel that for the safety of the children along this stretch of road having a permanent 50 km/hr restriction would be beneficial.
